

Lesson 2 Infosheet: Purchasing a Domain (Namecheap Edition)

Follow the following step-by-step instructions to obtain your domain.

1. Go to <https://lordvincentvanmendoza.com> .
2. Click on “**Affiliate**” tab.
3. Click on “[TRY NAMECHEAP NOW](#)”.
4. Enter your desired domain name in the box.

5. Click “**Search**”. Then, if it says it’s available, go ahead and “**Add to cart**”.
6. Once you’re good with it, click “**Confirm order**”.
7. Create your Namecheap account. Fill out the required details. Then, click “**Create account & continue**”.
8. Enter Account Contact Information, then hit “**Continue**”.
9. Select your Payment Method, type in the details, then click “Continue”.
10. Tick the “**Terms & Agreement**” box, then click “**Pay Now**”.

You can now check your domain under **ACCOUNT** —> **Domain List**.
